

# Renewal Parts for your IMA System

## We Stand Behind our IMA Systems

FisherTech supplies original replacement parts for your IMA equipment. Manufactured to the highest standards, ensuring your IMA system continues to operate to the same performance level as when it was first installed. Our large inventory means same-day shipping of most renewal parts. Parts come in various sizes depending on your machine type.

Here are a few examples of the hundreds of parts in our renewal parts inventory.

Plunger 	Gooseneck 
Thermocouple 	Melt Pot 
Moving Mechanism Retrofit Kit 	Element for Melt Pot 
Flat Faced Fixed Die 	Nozzle 

## Engineering the Best Value
